

# Felix Edström

## Frontend Developer

I am a recent graduate in frontend development from Sweden with a strong passion for web development and solid knowledge in React, Angular, Node.js, Figma, and CSS. I strive to stay updated with the latest technologies and best practices to deliver high-quality and efficient solutions. I look forward to contributing to exciting projects and further developing my skills in the field.

- TypeScript
- Next.js
- UX/UI
- Git

## Language

Swedish

English

## Job Experience

○ 2023 - 2024

Swedbank

### Frontend Developer Internship

During my six-month internship at Swedbank, I actively worked in agile teams and contributed to the development of technical solutions based on UX wireframes. This experience deepened my understanding of agile methodologies and enhanced my ability to handle complex technical challenges. I am confident that my experience and eagerness to learn will be beneficial for my continued professional development.

○ 2018 - 2022

Hägerstensåsens School

### After-school Teacher

During my four-year employment as a childcare worker at Hägerstensåsens School, I created a safe learning environment for the students. I collaborated with teachers and parents to promote the students' social and emotional development. I was patient, empathetic, and successful in handling challenges and conflicts. My work contributed to the students' individual progress, and I look forward to continuing to make a positive difference in the education sector.

○ 2016 - 2019

Tornvillan, Hotel J

### Waiter

During my three-year employment as a waiter at Tornvillan in Hotel J, I delivered a first-class service experience to guests. I efficiently handled customer orders, maintained high service standards, and created a welcoming atmosphere. With my communication skills and dedication to customer satisfaction, I contributed to a positive and memorable hotel stay.
